## Bulletin - December 2018

Merry Christmas and a Happy New Year from all the team here at STR. Our office will be closed from 25<sup>th</sup> December until the 3<sup>rd</sup> of January but we will have an active message service through this period.

It has been a busy and challenging year with talent shortages persisting in some sectors, however this is not surprising given low national unemployment levels (3.9% to end of the Sept Quarter, a 10 year low), a trend which is expected to continue in 2019. With 30 plus years in this industry we are well placed to network and find the employees to grow your business strategically in the New Year.

Want to go on holiday leaving us working on next year's recruitment assignments? Call now and we will be searching while you relax and wind down with family and friends.
